*****FOR IMMEDIATE RELEASE*****

NEW FRANKEN, WI -- June 18, 2015. Dental Health Products, Inc. sponsors the 2015 WDA Mission of Mercy. DHPI seized an opportunity to take the lead by organizing the support and equipment for the entire Radiography Department for the WDA MOM in Fond Du Lac, WI on June 12-13, 2015.

DHPI contributed by setting up and running Belmont Panoramic Machines, Dentimax Sensors and Dentimax Imaging software, Aribex Nomad Pro 2's, and MyRay XPods. Working alongside DHPI was Sunset Dental providing six computer units. DHPI also contributed \$1,000 in much needed dental supplies along with 1,500 co-branded, DHPI and WDA MOM, water bottles for all of the volunteers to help the event be more 'GREEN'.

As an organization, DHPI is thankful for the ability to participate and contribute to this growing event. Overall, 1,230 MOM volunteers made a monumental impact in Fond Du Lac, WI that included:

- Charitable dental care received by 1,304 children and adults valued at \$1,029,800
- Total of 4,924 dental procedures performed in two day. including: 843 X-rays, 1,316 fillings, 1,069 teeth pulled, 591 cleanings, 634 sealant/fluoride treatments and 30 root canals and therapeutic pulpotomies.
- Dental Labs that attended with volunteer technicians created 161 full and partial dentures, and provided one-on-one oral hygiene instructions.
- 175 dentists, dental hygienists, dental assistants, dental distributors and local volunteers. Totaling 1,230 volunteers!

Several members of the DHPI team worked tirelessly to support the event, and as one of the team members explained "it was a very humbling experience to see all the care that was provided to those in need."

Next year the WDA MOM will be held in Eau Claire, WI and DHPI will be there to support once again. More information can be found on DHPI's website at www.dhpionline.com or on Facebook at www.facebook.com/dentalhealthproducts
