\*\*\*\*\*FOR IMMEDIATE RELEASE\*\*\*\*\*

NEW FRANKEN, WI – April 2016

Dental Health Products, Inc. Endorses Officite as Recommended Website Provider  
Clients to gain access to exclusive benefits, rates, and promotions from the industry's leading  
provider of online marketing.

Downers Grove, IL – Officite and Dental Health Products, Inc. (DHPI) announced their  
partnership today.

The new alliance will provide DHPI clients with the opportunity to build a complete and  
modern web presence at a significantly discounted rate. "Dental Health Products, Inc.  
recommends Officite to our clients as a premium-quality digital marketing service," stated  
Chloe Kramer.

Officite will be offering DHPI clients a complete range of online marketing solutions for their  
practices, including mobile-ready website designs, search engine optimization (SEO), social  
media campaigns, reputation management, and patient education. For more information, call  
(800) 908-2483 or visit [www.officite.com](http://www.officite.com).

About Officite: Officite is the number one provider of Web design and online marketing  
solutions for healthcare practices, specializing in connecting new patients with doctors online.  
Since 2002, Officite has built thousands of websites for healthcare professionals worldwide,  
generating hundreds of thousands of new patient appointments. Partnered with 45 leading  
healthcare organizations, Officite aims to transform how physicians attract, connect and  
communicate with new patients on the internet. For more information, visit [www.officite.com](http://www.officite.com).

DHPI has been servicing the dental professional community for over 25 years. Whether a  
General Practice or Special Markets Account, DHPI partners with industry leading  
manufacturers to offer a robust selection of SUPPLIES, EQUIPMENT and SOLUTIONS. DHPI  
is considered one of the industry's top dental distributors in the U.S. DHPI's mission is "To  
provide personalized and timely solutions for our healthcare partners so they will continue to  
exceed their goals and their patients' expectations."
