*****FOR IMMEDIATE RELEASE*****

NEW FRANKEN, WI - August 16, 2016

Dental Health Products, Inc. (DHPI) hosted its annual National Sales Meeting, July 28th - 29th 2016. Our sales teams and vendor partners gathered for education, motivation and celebration. Every year we affirm we have the best dental sales team and partners in the industry.

This year's theme, *Paving The Way*, was inspired by DHPI's 25 years of success in the dental industry and their growth path ahead.

Each year during the National Sales Meeting, a manufacturing partner is selected as the top showcasing MVP. Vote ballots are entered by meeting attendees based on: Overall Preparation, Product Presentations, Booth Display, Original Sales Strategy Tips, and Enthusiasm. Although all of our sponsors exceeded our attendee's expectations, DHPI would like to recognize, Flow Dental. Flow Dental has set a new benchmark for presentation, sales tools and spirit. On behalf of all of the DHPI sales representatives and management team we again say, "Way to go Flow Dental!"

Our MVP is awarded a plaque to showcase at their Corporate Office and industry wide recognition. Congratulations!

DHPI has been servicing the dental professional community for over 25 years. Whether a General Practice or Special Markets Account, DHPI partners with industry leading manufacturers to offer a robust selection of SUPPLIES, EQUIPMENT and SOLUTIONS. DHPI is considered one of the industry's top dental distributors in the U.S. through their mission, "To provide personalized and timely solutions for our healthcare partners so they will continue to exceed their goals and their patients' expectations."
